

SPONSORSHIP & EXHIBITION BROCHURE

10th EuChemS Chemistry Congress

12 - 16 July 2026 • Antwerp, Belgium

Welcome Message

On behalf of the European Chemical Society (EuChemS) and the Royal Flemish Chemical Society (KVCV), we are pleased to invite you and your organization to be part of the 10th EuChemS Chemistry Congress (ECC10), in Antwerp, Belgium, July 12-16, 2026.

The ECC is the flagship event for chemistry and life sciences in Europe, drawing a diverse and international audience.

- From talented young researchers to renowned top scientists, including Nobel laureates,
- Experts from across the globe and from every field of chemistry and life sciences,
- Participants from academia and industry,
- Governmental stakeholders and policymakers.

ECC10 is the place to:

- Present groundbreaking research across all chemistry fields through oral and poster communications,
- Establish new contacts and gather valuable leads,
- Promote Belgium's thriving chemistry, life sciences, and food industries — and by extension, Europe's — by engaging with congress participants (brand exposure, sales leads, recruitment, collaboration opportunities, etc.),
- Exhibit and market state-of-the-art laboratory equipment to a global audience of professionals,
- Showcase the latest scholarly books and journals, as well as emerging trends in scientific publishing,
- Emphasize the crucial role of chemistry in addressing societal challenges,
- Spotlight Antwerp as a centre of excellence in chemistry, while highlighting the touristic appeal of Flanders/Belgium and its contribution to a sustainable, circular economy.

ECC10 will feature:

- A high-level scientific program curated by a diverse international scientific committee,
- An extensive exhibition area, which has plenty to offer for every attendee,
- A variety of mini-symposia and workshops, including ones targeting young scientists, organized by the European Young Chemists' Network in collaboration with Young-KVCV,
- An Industry Day to foster collaboration with industry and showcase industrial innovation,
- A dynamic social program that stimulates informal networking opportunities.

Our comprehensive selection of sponsorship packages and exhibition opportunities has been carefully crafted to give you the best exposure for your products and services. In addition to offering outstanding visibility on-site, our sponsorship packages provide options for further promoting your business through extensive pre- and post-event marketing activities.

We look forward to welcoming you as a partner of ECC10 to Antwerp, where science, industry, and networking meet in a vibrant and inspiring setting.

Dr. Christophe De Bie
ECC10 Co-Chair & KVCV President
University of Antwerp, Belgium

Prof. Angela Agostiano
EuChemS President
University of Bari, Italy

Ir. Thomas Vranken
ECC10 Co-Chair & KVCV Secretary-General
Hasselt University, Belgium

Prof. Javier García-Martínez
ECC10 Chair Scientific Committee
& IUPAC Past-President
University of Alicante, Spain

Organizers

EuChemS

EuChemS is the European Chemical Society, representing national Chemical Societies and other chemistry-related organizations across Europe.

With about 140,000 chemists from 50 member societies, it fosters scientific discussion and promotes chemistry through congresses, workshops, and public outreach. The biennial EuChemS Chemistry Congress (ECC) is its main event, bringing together chemists from different fields and countries to discuss the latest scientific developments. These congresses also support young scientists and facilitate collaboration between academia, industry, and policymakers.

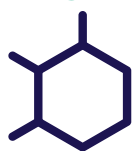

EuChemS

European Chemical Society

euchems.eu

KVCV

kvcv

KVCV, the Royal Flemish Chemical Society, is a non-profit organization dedicated to advancing the chemical sciences in Flanders, Belgium. Established to foster collaboration and knowledge exchange among chemists, KVCV serves as a platform for both academic and industrial professionals. It

organizes scientific events, lectures, and workshops, promoting research and innovation in various fields of chemistry. With a strong commitment to education, the society also supports young scientists and students, providing them with opportunities for networking and professional growth. KVCV plays a vital role in the development of the chemical community in the region.

KVCV was established in 1939, when the Belgian Chemical Society split in a Flemish- and French-speaking organization. KVCV has divisions in various chemical domains, as well as a youth division. KVCV is a member society of EuChemS (European Chemical Society), and is also a partner society of the Chemistry Europe publishing initiative. Established events and congresses organized by KVCV are: Kekulé Cycle, ChemCYS (Chemistry Conference for Young Scientists) and MedChem.

Welcome to Antwerp: Host of the ECC10 Congress

ECC10 will take place in Antwerp, a city that beautifully combines a rich history, modern architecture, and lively culture.

Antwerp is easily accessible from Brussels Airport, with a direct train connection that brings you to the heart of the city in half an hour. The venue is located next to Antwerp Central Station, ensuring a quick and comfortable arrival at your destination.

Antwerp as a city has plenty to offer. In addition to iconic landmarks like the Cathedral of Our Lady and the MAS Museum, it offers a large variety of culinary and cultural experiences, enhanced by more than 170 nationalities. Antwerp is home to shopping centres, boutiques, museums, start-up hubs, premium hotels, and the historical home of Rubens. Additionally, the world's largest diamond trade hub is within walking distance. Antwerp embraces heritage and innovation, business and leisure, global ambitions, and a genuine concern for nurturing a highly enjoyable quality of life for all its residents and visitors.

Whether you explore the charming old town or enjoy modern amenities, Antwerp is the perfect backdrop for our congress.

Antwerp's chemical industry

The Port of Antwerp is Europe's leading, and the world's 2nd largest petrochemical cluster. It houses over 500 chemical companies on more than 25km². Moreover, the whole region, extending over the borders into The Netherlands and Nordrhein-Westfalen in Germany, has an important chemical, as well as pharma and life sciences industry. These companies employ thousands of chemists who graduated from renowned universities in the region.

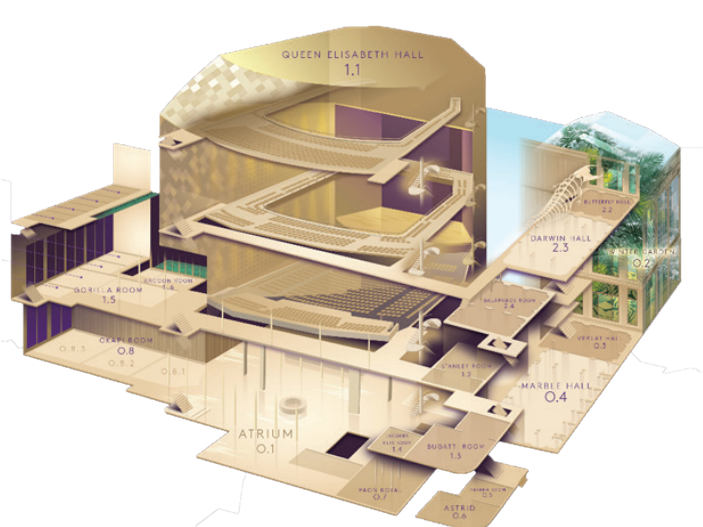

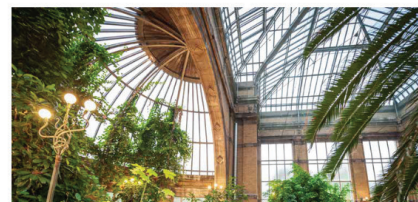

Join us in Antwerp for an engaging and impactful ECC10 Congress!

ECC10 will take place at FMCCA (Flanders Meeting & Convention Center Antwerp), also known as A Room with a Zoo. The venue is part of the Antwerp Zoo Society and is located in the heart of the city of Antwerp, just a ten-minute walk from the historic city centre. Its location next to Antwerp Central Station guarantees easy accessibility by public transport, with train, tram, and bus stops within walking distance. A good number of car parks are also available in the vicinity.

FMCCA offers an unparalleled venue for your exhibition booth at this prestigious congress. The center boasts modern facilities and state-of-the-art technology, ensuring your presentation shines.

Enjoy the beautiful historical surroundings, including the recently renovated Elisabeth Hall, ideal for plenary sessions. The spacious exhibition area provides ample natural light and a pleasant atmosphere for exhibitors. A loading dock at the rear of the hall facilitates easy loading and unloading of materials.

FMCCA also provides flexible catering options, including the ability to arrange catering facilities at your own booth.

Sponsorship & Exhibition opportunities

The next pages of this brochure entail on the one hand **Sponsorship Packages**, and on the other hand **Exhibition Formulas**. You are free to choose either or a combination of both. Sponsorship packages can be extended with optional items. Depending on your sponsorship package, you might be entitled to discounts on these items, as well as on an exhibition booth.

Limited Availability: Some sponsorship perks are limited and will be allocated on a first come, first served basis. While we welcome all interest, we reserve the right to review and accept sponsorships at our discretion.

Early Sign-Up Benefits: The earlier you sign up, the more visibility your logo will have in our promotion and communications leading up to the event.

Flexible Payment Options: On request, invoices can be split across multiple years (2025 and 2026).

Registrations: While our Sponsorship Packages and Exhibition Formulas already include a certain number of congress registrations, additional congress registrations will be offered at discounted rates to sponsors and exhibitors, once registrations open.

We welcome any innovative ideas you may have for ECC10 that could enrich the scientific program and highlight your company's strengths. We are open to exploring potential collaborations that create mutual benefits for both the congress and your organization.

Hospitality events or special side events for your relations are also possible

*Sponsorship of a congress theme is subject to availability. Unavailability of a preferred theme does not entitle the sponsor to a discount or cancellation. Contact us via contact@euchems2026.eu for the possibilities.

**KaféCV is our informal meeting and networking event offered to young scientists and representatives from the chemical and life sciences industry, research centres, government agencies and education to debate about future career opportunities. The event focuses on the exchange of experiences between senior chemists and young scientists, besides offering a peek into life as a scientist in a professional environment. A speed-dating system is applied to establish a dynamic interaction platform and facilitate the exchange of thoughts. For exhibitors and other companies, participation in the KaféCV is available for an additional fee of € 750 (max. 5 representatives/company).

Sponsorship Extensions

ADDITIONAL SPONSORSHIP ITEMS Allocated on a first-come, first-served basis after selection of premium packages <i>Only for sponsors & exhibitors of ECC10</i>		UNIT PRICE (EUR)
Outdoor Venue Banner	Your logo will be shown on the outdoor venue banner.	€ 2.500
Outdoor Venue Display	Your logo will be shown on a shared slide on the outdoor venue displays.	€ 500
Lanyards	Logo is included on the congress lanyard. <i>(!) Exclusive opportunity</i>	€ 7.000
Advertisement within the Digital Congress Program	Enhance your (brand) visibility with an advert in the event program! Showcase your products or services to all attendees and leave a lasting impression.	Full page: € 1.500 Half page: € 1.000
Program Inclusion	20-minute session (limited and subject to room availability).	€ 3.000
Advertorial in Online EuChemS Magazine	Reach all EuChemS members with an advertorial in the EuChemS Magazine! Extend your (brand) visibility beyond the congress and connect with a broader audience.	€ 1.500
Push Notification in ECC10 App	Boost your visibility with a push notification in the event app! Reach attendees directly with a custom message, promoting your brand or special offers in real time.	€ 2.000
Catering	Sponsored Coffee Break <ul style="list-style-type: none"> Name plates with your logo will be placed around the exhibition & catering area. Napkins may be added if they are provided by the sponsor. 	€ 2.000 / coffee break
	Upgrade coffee break (<u>Required</u> : Sponsored Coffee Break option - already included in Diamond & Platinum Sponsorship) <ul style="list-style-type: none"> Detox & energise, sweet treats & fruit, ice cream or soda pop. 	Price on demand
	Sponsored Lunch Break <ul style="list-style-type: none"> Name plates with your logo will be placed around the exhibition & catering area. Napkins may be added if they are provided by the sponsor. 	Price on demand
	Water Dispensers <ul style="list-style-type: none"> Name / logo will be on water dispensers. 	€ 1.000 / water dispenser
	Social activities <ul style="list-style-type: none"> Welcome Reception Congress Dinner 	€ 10.000 € 15.000
T-shirts	Company logo on event staff T-shirts.	€ 5.000
Sponsor Grants for Young Researchers	Sponsor Young Researchers' Registrations, enabling them to attend ECC10. <ul style="list-style-type: none"> Recognition as supporter of the Young Researcher Grants on the website & in communication. 	Free donation

Exhibition Opportunities

Booth Size	6m ² - 3x2m	9m ² - 3x3m	12m ² - 6x2m or 4x3m
Price	€ 6.750	€ 9.150	€ 11.550

Sponsorship packages discounts also apply on the exhibition booth spaces.

Don't miss your chance to showcase your brand! Book your booth before **1 August 2025** and enjoy a €500 discount

General Booth (6sqm / 9sqm / 12 sqm)

- 1 complimentary registration per booth
- Wi-Fi access
- Exhibition floor space as specified in the reservation contract.
- Booth set-up including shell scheme, 1 table, 2 chairs, nameplate, carpet, one double socket (incl. 500W) and LED spotlights.
- Welcome Reception for registered exhibitors.
- Coffee breaks and lunches for registered exhibitors.
- Exhibitor's Technical Manual.
- Acknowledgment on the ECC10 website.
- "Business Card" listing on the website, ECC10 app and Final Program, which includes a direct weblink to your organization and a company description.
- Lead retrieval will be available in the ECC10 app.

Additional options (available for purchase via the exhibition webshop)

Printed panels, TV, additional furniture, closet, desk, extra electricity, plants, extra Wi-Fi or internet connection, ...

Note: Exhibitors are welcome to display roll-up banners and materials within their shell scheme booth. However, the display must remain within the boundaries of the carpeted area and cannot exceed a height of 2.5 meters.

The ECC10 exhibition will be open for the whole duration of the congress.
Booking early ensures early brand recognition on the ECC10 website (euchems2026.eu).

Terms & Conditions

Liability

- The organizers cannot be held responsible for any loss of damage of/to any equipment brought in for the Exhibitor/Sponsor's exhibition. The Exhibitor/Sponsor is therefore advised to ensure to take out adequate insurance cover as necessary including Employers Liability & Public Liability cover, insurance to cover loss of damage to venue, exhibits or other personal property.
- Booths are not guarded. It is advised not to leave any valuable equipment on the booths.
- The organizers reserve the right to modify the exhibition floor plan at any time.
- If an exhibitor fails to comply with the official rules and regulations, the organizers reserve the right to reclaim its exhibition space and resell it, and all monies paid by the exhibitor shall be forfeited.
- In case of the use of any special, dangerous or radioactive materials, gases etc. the written approval of Medicongress is required.
- In case of litigation the court of Ghent is in charge.

General

- Political Propaganda is not permitted on booths or in any other part of the exhibition area.
- Radio License: Given the proximity of the event venue to the central station, it is essential to emphasize that obtaining a license is mandatory, as strict regulations are enforced to prevent any potential disruption to train traffic. The license application should be submitted via the BIPT website. Please note that there is a processing time.
- Numbers of participants communicated by the organizers are estimations and not certainties.
- By signing a sponsor and/or exhibitor contract, sponsors and exhibitors accept the conditions stated in this document.

Congress Cancellation and Postponement

- Exhibitors and sponsors shall not be entitled to any compensation should political or economic circumstances or a case of "force majeure" prevent the exhibition and/or the Congress being held, limit its size or modify its nature.
- In the event that the Congress is postponed for any given reason, the exhibitor/sponsor/advertiser will not be entitled to cancel the exhibition space/sponsorship/advertising or to obtain monetary compensation, but the benefits that have been agreed will remain in place for the rescheduled event.
- In the event that the Congress is cancelled for any given reason, the organizers will refund the exhibition/sponsorship/advertising money to the relevant company, minus any benefits that have been received by the company prior to the cancellation and any expenses incurred by the organizers with respect to the provision of the agreed benefits.
- Should the Congress format or medium change (to include hybrid or fully virtual event delivery) the exhibitor/sponsor/advertiser will not be entitled to cancel or to obtain monetary compensation, but the benefits that have been agreed will remain in place and adjusted appropriately.

Payments

- All companies will receive an official invoice from Medicongress.
- All booths and sponsorship must be paid in full within 30 days of invoicing.
- The installation of a booth will only be allowed if payment in full is received by Medicongress. The organizers reserve the right to refuse admission to any person or organization and to order the expulsion of any person or organization whose conduct renders such a course desirable without any further statement of reasons.
- All rates are exclusive of VAT (21%)
- Payment Methods:
 - via wire transfer (BE20 7362 3387 1656).
 - Credit card payments are not possible.
- **Flexible Payment Options:** Invoices can be split across multiple years (2025 and 2026) for added convenience.

Exhibition Cancellation Procedure

- Booth spaces that have been contracted can be cancelled within 30 days of signing the contract.
- Within these 30 days, only a written cancellation will be accepted, and a cancellation fee of € 500 will be charged.
- No cancellations are accepted after 31 March 2026, regardless of the reservation date.
- The signed Reservation Contract is binding for all parties.
