Sponsorship Package Items

Below, you can find more information on all the sponsorship package items that may or may not be included in your sponsorship. We advise to check the above list whether the item is part of the sponsorship package or not.

General

Congress Registration

The sponsorship package includes a specified number of complimentary congress registrations, providing full access to all sessions, the exhibition and the Welcome Reception.

Discount on Sponsorship Extensions & Exhibition Booths

When booking a sponsorship package, you will receive a discount for all additional sponsorship extensions and/or your exhibition booth, based on your sponsorship level.

Please note: This discount does not apply to coffee break upgrades & KaféCV participation.

Booth Allocation

When a booth is purchased on top of a sponsorship package, priority for booth location selection is granted according to the sponsorship level.

Congress program perks

Program Lecture

One lecture of 20 or 45 minutes, based on your sponsorship level.

Content must be approved by the scientific committee.

All costs pertaining to speaker(s) are covered by the sponsor. The congress organisers will provide a meeting room with AV equipment.

Sponsor benefits include:

- Opportunity to display free-standing banner stands in the meeting room
- Provide promotional materials to session attendees
- Recognition in the Congress program on the Congress website and in the Congress app

Sponsorship of one of the Main Congress Themes

The Scientific Committee defines circa 8 central Congress themes, which will form the parallel sessions throughout the whole Congress. These themes are broadly chosen to cover the whole field of chemistry and life sciences, including current hot topics. These central Congress themes are further divided into subthemes, spread out over all Congress days. All contributions by Congress participants (oral and poster presentations) are entered into one of these central themes. The themes of the previous ECC edition can be checked here: <https://euchems2024.org/themes>. The ECC10 themes are to be announced soon.

Sponsor benefits include:

- Mentioning with logo in the first and last session on the chosen theme
- A free-standing banner can be put at the back/side of the meeting room on the chosen theme.
- Providing up to 2 chairs for chairing a session on this theme (subject to approval by the Scientific Committee)
- Mentioning on the themes page on the Congress website

Sponsorship Package Items

KaféCV Participation

KaféCV is an informal meeting and networking event offering young scientists and representatives from the chemical and life sciences industry, research centres, government agencies and education to debate about future career opportunities. The event focuses on the exchange of experiences between senior chemists and young scientists, besides offering a peek into life as a scientist in a professional environment. A speed-dating system is applied to establish a dynamic interaction platform and facilitate the exchange of thoughts. For exhibitors and other companies, participation in the KaféCV is available for an additional fee of € 750 (max. 5 representatives/company).

On-site publicity

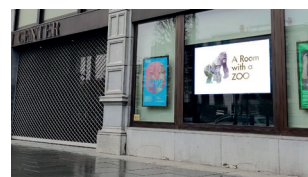

Outdoor Venue Banners (2)

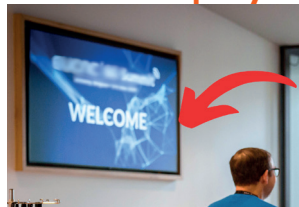

Your logo will be prominently displayed on **2 outdoor banners** at the congress venue, strategically located on Astridplein—directly across from Antwerp Central Station and along the main road leading to the shopping district. This prime position ensures maximum visibility to all visitors.

Outdoor Venue Display

Your logo will be prominently displayed on the **outdoor venue display** at the congress venue, strategically located on Astridplein, but only visible during opening hours.

Indoor Displays

Your company logo will be featured on a **shared slide** displayed on the indoor screens throughout the congress venue. These screens are strategically placed in high-traffic areas, ensuring consistent visibility to attendees during sessions, breaks, and networking events. This provides an excellent opportunity to enhance your company's exposure and reinforce your presence at the event.

Logo in Registration Area

Your company logo will be **prominently displayed** in the registration area, located at the main entrance to the exhibition hall. As the first point of contact for attendees, this highly visible place ensures that your logo is seen by all participants upon arrival, enhancing your company's exposure throughout the event.

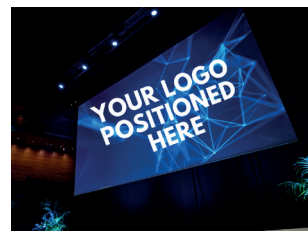

Acknowledgement at the Opening & Closing Ceremony

During both the Opening and Closing sessions of the congress, **sponsors will be publicly acknowledged** and thanked for their valuable support. This recognition, delivered in front of all attendees, provides an excellent opportunity to highlight your company's contribution to the success of the event.

Sponsorship Package Items

Publicity on Pre- and Post-session Slides

Your company logo will be displayed on **shared slides shown between sessions** throughout the congress. These slides will be visible on the main presentation screens during breaks, ensuring consistent exposure to all attendees. This placement provides an excellent opportunity to increase your company's visibility during key transition times when audience attention is focused on the screens.

As part of the Diamond and Platinum Sponsorship Packages, a **full slide** is offered.

Sponsor Poster Awards

Enhance your brand's visibility by sponsoring the prestigious Poster Awards. As a sponsor, your company's logo will be **prominently displayed** on the official certificates awarded to winners, symbols of achievement that will be cherished and showcased throughout their careers. Additionally, sponsors will have the opportunity to **present the awards** on stage, adding a personal touch to this recognition.

Poster Award sponsorship is included in the Platinum and Diamond sponsorship packages, offering your brand prominent exposure while **demonstrating your commitment to supporting innovation and excellence**. This opportunity positions your brand alongside groundbreaking research and top talent in the field.

Sponsored Coffee Break

Sponsoring the coffee break offers a unique opportunity to enhance your company's visibility. As a sponsor, your company will be recognized with **nameplates** displayed throughout the catering area, located within the exhibition hall. Additionally, you may choose to **provide branded napkins**, featuring your logo, **at your own cost**, further reinforcing your presence and association with this key networking moment. You also have the option to place **roll-up banners** during the sponsored coffee break, maximizing your company exposure and creating a memorable impression among attendees.

As part of the Diamond and Platinum Sponsorship Packages, a **1 sponsored coffee break** is offered.

Push Notification in ECC10 App

Your company will receive visibility through a push notification (text delivered by the sponsor) in the ECC10 app, **reaching all attendees directly on their mobile devices**. This notification provides a highly effective way to engage participants, ensuring that your brand message is delivered promptly and directly during the event.

For Diamond (2 notif.) and Platinum Sponsorship (1 notif.) Packages, this is already included.

Sponsorship Package Items

Off-site publicity

Listing within the 'Sponsors Section' of the ECC10 Website & the App

Your company will be listed in the 'Sponsors' section on both the ECC10 website and app. This includes **your logo and a direct link to your website**, offering continuous visibility to all attendees. In the app, **additional details** such as contact information can be included, providing further opportunities for participants to engage with your brand.

Company Logo included in Pre-event Marketing Emails

Your company logo will be included in the pre-event marketing emails **sent to all registered participants and potential attendees**. These emails, which provide important congress updates and information, will offer your brand repeated exposure in the lead-up to the event, ensuring your company is top-of-mind for recipients.

Advertisement within the Digital Congress Program

Your company will have the opportunity to publish an advertisement in the online congress program, available as a digital PDF. This program is a **key resource** for attendees, providing **ongoing visibility** for your brand as participants reference the agenda, speakers, and sessions throughout the event.

Advertorial in Online EuChemS Magazine

Your company will have the opportunity to feature an advertorial on the EuChemS website, reaching **not only congress participants** but also **all members of the EuChemS community**. This advertorial will be prominently displayed on the 'Sponsored Content' page, providing extensive visibility and **engagement with a broader audience** interested in chemistry and related fields.

Sponsor of KVCV

As part of the Diamond, Platinum, and Gold Sponsorship Packages, a **Bronze Sponsorship to the KVCV for one year** will be included. This package features your company logo prominently displayed on the KVCV website as a supporting organization and in the monthly newsletter, offering excellent exposure for your brand within the KVCV community. It also highlights your commitment to supporting our initiatives.

Additionally, as a Supporting Organization, you will receive one copy of KVCV's Member Magazine: C2W | Mens & Molecule.

Visit the webpage: <https://www.kvcv.be/en/steunende-organisatie>

Sponsorship Extensions

Below, you can find more information on all the sponsorship items that can be bought on top of your sponsorship (whether it being a package or an exhibition booth).

Outdoor Venue Banners (2)

Your logo will be prominently displayed on **2 outdoor banners** at the congress venue, strategically located on Astridplein—directly across from Antwerp Central Station and along the main road leading to the shopping district. This prime position ensures maximum visibility to all visitors.

Outdoor Venue Display

Your logo will be prominently displayed on the **outdoor venue display** at the congress venue, strategically located on Astridplein, but only visible during opening hours.

Lanyard **exclusive opportunity**

Sponsoring the congress lanyards presents an exclusive opportunity for a **single sponsor**. Your company logo will be prominently displayed on the lanyards worn by all attendees, guaranteeing **maximum visibility** throughout the event. This distinctive branding opportunity ensures your company remains front and center, leaving a lasting impression as participants engage and network during the congress. The lanyards will be printed by the congress organization.

Advertisement within the Digital Congress Program

Your company will have the opportunity to publish an advertisement in the online congress program, available as a digital PDF. This program is a **key resource** for attendees, providing **ongoing visibility** for your brand as participants reference the agenda, speakers, and sessions throughout the event.

Program inclusion

One lecture of 20 minutes, based on your sponsorship level.

Content must be approved by the scientific committee.

All costs pertaining to speaker(s) are covered by the sponsor. The congress organisers will provide a meeting room with AV equipment.

Sponsor benefits include:

- Opportunity to display free-standing banner stands in the meeting room
- Provide promotional materials to session attendees
- Recognition in the Congress program on the Congress website and in the Congress app

Advertorial in [Online EuChemS Magazine](#)

Your company will have the opportunity to feature an advertorial on the EuChemS website, reaching **not only congress participants** but also **all members of the EuChemS community**. This advertorial will be prominently displayed on the 'Sponsored Content' page, providing extensive visibility and **engagement with a broader audience** interested in chemistry and related fields.

Sponsorship Extensions

Push notification in ECC10 app

Your company will receive visibility through a push notification (text delivered by the sponsor) in the ECC10 app, **reaching all attendees directly on their mobile devices**. This notification provides a highly effective way to engage participants, ensuring that your brand message is delivered promptly and directly during the event.

For Diamond (2 notif.) and Platinum Sponsorship (1 notif.) Packages, this is already included.

Sponsored Coffee Break

Sponsoring the coffee break offers a unique opportunity to enhance your company's visibility. As a sponsor, your company will be recognized with **nameplates** displayed throughout the catering area, located within the exhibition hall. Additionally, you may choose to **provide branded napkins**, featuring your logo, **at your own cost**, further reinforcing your presence and association with this key networking moment. You also have the option to place **roll-up banners** during the sponsored coffee break, maximizing your company exposure and creating a memorable impression among attendees.

As part of the Diamond and Platinum Sponsorship Packages, a **1 sponsored coffee break** is offered.

Add-on: Upgraded coffee break

You have the option to **upgrade the coffee break** with a selection of enhancements, including sweet treats, a 'Detox & Energize' upgrade, fresh fruit, ice cream, or soda pop. The **cost** of these upgrades is **based on the actual additional catering expenses** and will be charged per participant. This is a great way to elevate the experience and add a **personal touch** to your sponsorship.

Sponsored lunch break

Sponsoring the lunch break offers a unique opportunity to enhance your company's visibility. As a sponsor, your company will be recognized with **nameplates** displayed throughout the catering area, located within the exhibition hall. Additionally, you may choose to **provide branded napkins**, featuring your logo, **at your own cost**, further reinforcing your presence and association with this key networking moment. You also have the option to place **roll-up banners** during the sponsored lunch break, maximizing your company exposure and creating a memorable impression among attendees.

Sponsored water dispensers **price per dispenser**

Sponsoring the water dispensers provides an excellent opportunity to increase the visibility of your logo throughout the venue. The logo will be prominently displayed on the water dispensers **placed strategically throughout the building**, ensuring consistent exposure to all attendees. This sponsorship not only reinforces your brand presence but also **demonstrates your commitment to attendee wellness and hydration** during the event.

Sponsorship Extensions

Welcome Reception **exclusive opportunity**

Sponsoring the Welcome Reception not only enhances your logo's visibility, but also provides **valuable recognition** from the organizers. Your company will be acknowledged during the event, highlighting your **support and commitment**. Furthermore, your logo will be prominently positioned next to the Welcome Reception in the congress program, ensuring that attendees recognize your company as a **key contributor**.

Sponsors also have the option to bring their own **roll-up banners**, which can be displayed in the catering and exhibition area during the Welcome Reception. This combination of recognition and strategic placement offers significant added value, enhancing your company's reputation and engagement within the community.

Congress Dinner **exclusive opportunity**

Sponsoring the Congress Dinner presents a unique opportunity for **brand visibility in a prestigious setting**. The Dinner will be held at the **Handelsbeurs in Antwerp**, a beautiful venue rich in character, providing a memorable backdrop for all attendees. As a sponsor, your company will **receive recognition from the organizers during the social event**, emphasizing your support and commitment. Additionally, your logo will be prominently featured next to the

Congress Dinner in the congress program, ensuring that attendees acknowledge your brand as a **key contributor** to this elegant occasion.

Furthermore, sponsors are welcome to bring their own **roll-up banners**, which can be showcased in the dining area, further amplifying your presence during this special evening.

Crew T-shirts

Sponsoring the event crew T-shirts offers an opportunity for a **single sponsor**. Your company logo will be **prominently displayed on the T-shirts worn by event staff** at the registration and help desk areas, ensuring maximum visibility to all attendees. This unique branding opportunity keeps your company front and center, creating a lasting impression as participants interact with staff throughout the event. T-shirts will be printed by the congress organization.

Sponsor Grants for Young Researchers

Support the next generation of scientific talent by sponsoring **young researchers' attendance** at ECC10. As a sponsor, your contribution will be **acknowledged** on the event website and in official communications, showcasing your commitment to fostering young talent in the field.

Contributions are open as **free donations** rather than a fixed fee—any support is appreciated. Join us in making this event accessible and impactful for emerging researchers!

Sponsorship Extensions

KaféCV Participation **open to all companies, with or without sponsoring**

KaféCV is an informal meeting and networking event offering young scientists and representatives from the chemical and life sciences industry, research centres, government agencies and education to debate about future career opportunities. The event focuses on the exchange of experiences between senior chemists and young scientists, besides offering a peek into life as a scientist in a professional environment. A speed-dating system is applied to establish a dynamic interaction platform and facilitate the exchange of thoughts. For exhibitors and other companies, participation in the KaféCV is available for an additional fee of € 750 (max. 5 representatives/company).

For any questions or additional information, please feel free to email us at contact@euchems2026.eu or call us at +32 (0)9 218 85 80.

We welcome any innovative ideas you may have for ECC10 that could enrich the scientific program and highlight your company's strengths. We are open to exploring potential collaborations that create mutual benefits for both the congress and your organization.
